Answer

MINISTER OF STATE IN THE MINISTRY OF RAILWAYS

(SHRI RAJEN GOHAIN)

(a) and (b): There is no proposal, at present, to meet the expenses incurred on providing dustbins in coaches through advertisements and publicity of various products.
(c): The policy is to fit all the newly manufactured non-suburban coaches with dustbins. Retrofitment of existing coaches is dependent on fund availability and hence no specific time limit can be indicated at this stage.
